## **Catering for all occasions**

Feel free to get in touch with our dedicated manager in house.

We plan, design, coordinate and manage each event individually with creativity and care. We invented simple and easy steps to care for all types and sizes of event catering smoothly. Our expertise is in catering for weddings, corporate events, private parties, and home catering at your home or any outside venue.

Our well-assorted menu gives you a good opportunity to put together exactly the meal you would like. For example, you could start with one of our delicious appetizers, all of which make sure your meal starts well. Once you have eaten your starter, we have a large selection of delicious dishes. You can choose to mix your own meal, but if you want a meal that is already composed, so you are sure to get something that fits together, then we have put together a lot of delicious menus that range from having a size you can eat yourself, to have a size you probably will not get through without sharing. We also offer the seasonal menu. This menu is composed to suit all seasons, and that way you will definitely love!

All our dishes are prepared with care and fresh ingredients. We offer not only good food, but also fast and efficient delivery. We have a dedicated team who make sure that the food is delivered directly to the Venue, home, work or anywhere!
